Your feed back is imperative to our business, please feel free to rate the pages that you use or email nf@rms.com.au with any comments or suggstions you have for our Knowledge Base!

You can also subscribe to our YouTube Channel, by subscribing you will receive notifications when new tutorials are uploaded to watch. To subscribe go to <http://www.youtube.com/user/RMSHelpSupport> then click once on the yellow subscribe button at the top of the page and follow the prompts.

How to use the RMS Knowledge Base

There are 3 ways to navigate this knowledge base;

1. Use the search field provided at the top right of this page for keyword searches
2. Use the Navigation Tree found to the left of the page

3. Use the categories mapped out below

While we continue to move all of our support documentation into this Knowledge Base you will still have access to our F1 web based help files previously used, click once on the help file you wish to access;
